PROJECTS

Final year project 1

The production of food products incorporates medicinal plants

Two months

- I produce chips and cookies from medicinal plants. These food products are cooked using two methods, one by baking in an oven and the other by frying.

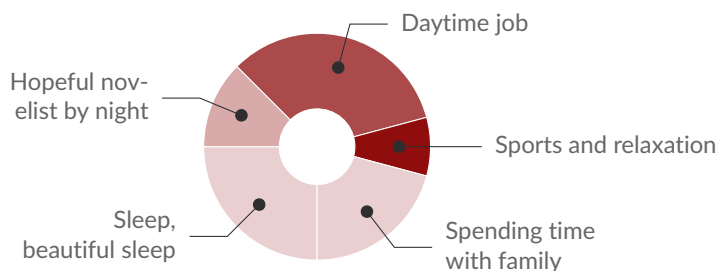

Senior project 2

The wildlife and wild flora of Ain Asserdoune, Beni Mellal

Five months

- We worked on collecting all the wild flora and fauna from the Ain Asserdoune area in Beni Mellal and compiled it into a guide.
